
CRESSWELL WALKER, CEC, MA

Master Coach, Leadership Consultant, Corporate Trainer – Singapore

Overview:

Cresswell Walker works as an executive coach, organizational effectiveness consultant and leadership trainer with Asian businesses. He is also an international speaker, educator, writer and adventurer committed to helping people excel. For the past 8 years, he has coached and consulted in management and leadership for business and government clients in Asia and North America. Cresswell is at home coaching leaders in the 'C' suite and training and coaching mid level and senior managers. Today, he is based in Singapore to best serve his Asian clients.

Cresswell's work as an executive coach stands upon his own extraordinarily diverse professional, business, educational and personal background including his line experience as an award winning Planning Consultant and Professional Urban Planner.
